BAKER WILL JUMP UNLESS TERMS ARE MET BY MAGNATES

Baltimore, Md., Aug. 30.—Harry Sinclair, who has been in the Maryland Federal league, is expected to leave for New York City next year.

Baker came here from Media, Pa., where he played Saturday. He seemed to be very happy after the conference. When asked what the conference was about Baker remarked that it was an easy thing to guess. Baker said that unless Connie Mack decided in a hurry to sell his services he would, don't a Federal league next season.

"If Connie Mack or any other manager in organized baseball is willing to meet my terms I'll stick to the American league, otherwise there is only one step left open to me, and that is to accept terms from the highest bidder in the independent circuit. I still have a few years of baseball left in me and don't intend to remain idle as long as I can."

The Baltimore Federals yesterday sold infielder Runt Walsh to the Kansas City club of the Federal league, and unconditionally released catcher Jacklitch and first baseman Harry Swadina. Both had contracts calling for another year with the local team.

Swadina, before coming here, was the first first baseman of the Newark International. While Jacklitch was with the Rochester club. Both players had three-year contracts with another year to run.

BROOKLYN WANTS TO GET MARQUARD

New York, Aug. 30.—Although they waived on him at the time McGraw put Rube Marquard on the market it is said that the Brooklyn Nationals are willing to take the southpaw now. Negotiations whereby the former Giant may become a member of the pennant chasing Superbas were started Saturday night, consequent upon a visit Marquard paid to Charlie Ebbets and Wilbert Robinson at Ebbets Field. Robinson and the Rube soon came to terms and Ebbets asserted that they were satisfactory to him.

However, according to baseball law, Marquard is now the property of Toronto, and there may be considerable trouble, not to say insurmountable obstacles, to the belated attempt to bring Marquard back into the National league.

John McGraw several days ago asserted that if any club were willing to sign Marquard it could have him for the waiver price of \$1,500, even though the pitcher's release to the minors had already been made out. McGraw may have changed his mind in the interim. He says that now, after now stands, only McGraw's friendship for Robinson will bring Marquard to Brooklyn, for the leader of the Giants is exceedingly sore at the trade odds which are being employed regarding players upon whom his club asks waivers.

John Foster, secretary of the New York club, asserted that he did not know what procedure Harry Hempstead and McGraw would take in the case, but that the baseball law covering it was very clear.

"If the waiver period has not yet expired, and I believe that it has, Mr. Ebbets can have Marquard for the waiver price. On the other hand, we could recall Marquard from Toronto if the Brooklyn club offered us suitable inducements," said Foster.

It can be inferred from Foster's remarks that McGraw is not at all satisfied that Marquard is through as a big leaguer, for the Rube was sent to Toronto with a string attached.

WEST POINT ELEVEN STARTS FOOTBALL WORK

West Point, N. Y., Aug. 30.—Football will get its start here this week when Head Coach Charley Daly and Trainer Harry Tatham report for duty with the Army eleven. The cadets will get under way on Wednesday.

Prospects are bright, even though the Army lost quarterback Prichard and his famous end, Merrill, by graduation last June. Besides Lieutenant Daly, the Army's coaching staff at the outset will consist of Captain Earl Gault and Lieutenants C. F. Thompson, Pullen, Stearns and Stillwell.

The men have been doing light work during the spring and summer under the direct eye of Cadet Weyand, captain of the Army eleven, and are in splendid condition.

IF MARQUARD MAKES GOOD WITH MINORS HE MAY "COME BACK"

Rube Marquard, once "the \$11,000 beauty" of the New York Giants, may regain with the minors the pitching skill that made him famous. If he repeats with the Toronto team some of his past records it is quite likely that a major league team will give him another chance.

COMING FOOTBALL SEASON LOOMS UP AS VERY EXCITING

Never has a football season promised so much in the way of interest as the one about to be inaugurated next month. Some teams have been hard at work a greater part of the summer, and September will see every one of the big and little collegians starting their real active preliminary training campaign for the season.

Princeton and Pennsylvania are establishing new coaching systems this season. The former will go from committee supremacy to that of an individual coach and the latter taking the final authority from the individual and placing it in the hands of a committee.

Holy Cross owing to the fact that its schedule is a much better one in comparison to former years, when the Purple team played all of the big guns of the football world, expects big things from its team.

Harvard and Yale will each carry on their former systems, the former under the peerless Percy Haughton, the latter with Coach Hinkley at the helm.

Harvard has lost Brickley, who won two races, the half-mile and three-mile runs.

The marvelous Finn scored his first victory in the 880-yard run, which was the open event of the program.

This was his first middle distance race he has competed in since he came to this country more than two years ago. He won it by a scant yard from his clubmate, J. Pietila, the defender of the title.

KOLEHMAINEN WINNER OF TWO BIG RACES AT BROOKLYN TRACK MEET

New York, Aug. 30.—Despite the heavy downpour and muddy condition of the grounds, the annual track and field championships of the Scandinavian-American Athletic League of America were held at Ulmer Park, Brooklyn, yesterday.

Hannes Kolehmainen, of the Kaleva A. C., the world's greatest distance runner, who sports the colors of the Irish-American A. C. in open competition, was the star of the day.

The marvelous Finn scored his first victory in the 880-yard run, which was the open event of the program.

ACORN'S EXPECT LARGE CROWD AT CLAMBAKE SCHEDULED FOR SUNDAY

Clambakes have been in vogue for the past three weeks in the neighborhood of Bridgeport and in order to be up with the times the Acorn A. C. will on Sunday hold their 26th annual outing and sheep roast, at Forest Grove in the North End.

The Acorn A. C. was instituted 26 years ago. It is coming Saturday and although the membership was beginning to wane about nine years ago it has since taken on a new lease of life and today totals nearly 500 members, some of our most prominent citizens.

In the Acorn A. C. like in many other clubs, politics may take some part but one thing may be said of this organization that during the past year and a half and the politics of the club has been but a minor matter in its popular club. Members of the club are affiliated with whatever party they may choose and political prejudice is not extinct in the Kosuth street club rooms.

It is estimated that on Sunday at Forest Grove upwards of 1,200 people will be on hand to partake of the viands, and refreshments which will be served the members and guests of the club. Arrangements for the outing are now completed and the following is the amount of eatables, etc., so far ordered: Six butts of juicy sirloin steak for sandwiches which will be served from 10 to 4, each butt weighing 40 pounds; 140 loaves of sandwich bread, weighing 240 pounds; three barrels of potatoes, white and sweets, or nine bushels; ten bushels of tomatoes; large quantities of potato salad; 1,000 ears of corn or five barrels; 80 pounds of butter, and then the little lamb that followed "Mary." There will be 600 pounds of tender spring lamb or 20 young lambs all prepared by that competent chef John "Dick" Mansfield.

As for the refreshments oceans of the flowing liquid will be on tap, according to Chairman Tom Connelly. The young men were to have a host of hostesses about the city will be on deck with the latest and popular songs, among them being Jack Galvin and Jack McDonough.

As usual boxing will also be a feature of the day's entertainment. Among the pugilistic entertainers will be Battling Levinsky, Al McCoy, Joe Smith, Walter Mohr and "Dumb Dan" Morgan, manager of a large stable of well known professional boxers will be on hand.

The event will start at 10 o'clock sharp and "taps" will be sounded at 6:30 when the happy crowd will wind their way homeward. The following are the committees in charge: Reception committee—Archie Cameron, chairman; John H. Tague, Jas. Hart and James Williams.

Roast committee—John D. Mansfield, chairman; John Foley, Frank Klem, Joe Drew and Chaucery Taylor.

Entertainment committee—Tom Connelly, chairman; John McDonough; Joe Smith and Jimmy Saunders.

The Long Hill suburban trolley cars will carry the guests to the scene.

Wagner's Watch Tower

After vainly trying to have the game with Bridgeport called off, Owner Ebbets of the Brooklyn Nationals has agreed to send his club here next Sunday afternoon. He sent the local officials: Schultz 2b, Nelson of, Olson ss, Hummel ss, McCarty 1b, Smyth lf, Smith rf, Wheat c, Dell and Appleton p. The latter are two of the best pitchers on the staff and take regular turns in the big league schedule. Nelson is a slugger who has just been secured from the Southern league. Olson is the former Cincinnati and Cleveland infielder and Hummel, the old Holyoke star, is well known here.

The Colonials of New Haven intend to have a football team this season. They claim they have secured Charley Brickley and Pennock, the former Harvard stars, for Sunday games. Pennock was an All-American guard for three years. He is employed in Boston now.

The free-for-all pace and free-for-all trot, included in the late closing events for the local grand circuit meeting at Charter Oak Park, Hartford, September 6 to 10, did not fill and were declared off by the race committee of the Connecticut Fair association today. The other races filled satisfactorily and were added to the program.

The races and Pennock, the former Harvard stars, for Sunday games. Pennock was an All-American guard for three years. He is employed in Boston now.

MAX MARSTON OR GULFORD MAY BE NEXT GOLF CHAMP

Detroit, Mich., Aug. 30.—Thomas and Sherrill Sherman, of Utica, N. Y., sons of the late Vice-President, yesterday won the play-off for the American Gopher silver trophy. Their score was 104, while Max Marston, of Utica, N. Y., who tied the Utica pair for low score in the four ball, best ball, match, Friday, took 78 strokes.

Interest in the battle for the American Amateur golf championship, which is being waged on the Detroit Country Club course, was greatly increased during the playoff yesterday. The final qualification round of 30 hole medal play, took place Tuesday. It will cut the field from 73 players to 32.

Granting that a few upsets may occur, students of the sport predicted an extremely well balanced field for the match play which starts Tuesday. The possibility of star being placed star in the drawing which will follow the round Monday has frequently been discussed.

Although many golfers still term the tournament a battle between Outmet, Travers and Evans on one side, and the field on the other, there are at least half a dozen entrants who have been popularly granted a good opportunity of surprising the "Big Three."

D. E. Sawyer, of Wheaton, Ill., always a dangerous opponent in match play, has been going at top speed since he arrived here last week. His games have been consistently fine, and his 73 yesterday was low mark for the preliminary match.

James Guilford, of Boston and Max Marston of Springfield, N. J., are favorites at least with the eastern contingent. Nelson M. Whitney, of New Orleans to whom the south is looking for championship recognition, has shown steady improvement since his arrival here.

The New York State Federation of Labor in convention at Buffalo went on record as being in favor of woman suffrage.

The Lackawanna Steel Co. has sold 5,000 tons of steel rails to Russia.

The game was featured by an unexpected exhibition of driving a golf ball. Three eastern athletes stood behind home plate and hit balls which whizzed over houses more than fifty yards beyond the centre field wall. The young men were Frank Outmet of Woodland, Mass.; Jesse Guilford of Boston and Max Marston of Springfield, N. J., who are competing in the national championship tournament at the Detroit Country Club.

A pass, a sacrifice and a hit of each of the four popular dimensions were grouped in this inning. In the course of chugging Shawkey retired and Cole came in. After Bush had hit for a home run, with Vitt on third, "Kins" settled down and pitched good ball, the only other runs made off him being due to errors.

TENNIS EXPERTS PREPARE TO GRAB NATIONAL TITLE

New York, Aug. 30.—The tennis tournament for the championship of the United States, scheduled for ten o'clock this morning on the turf courts of the West Side Tennis club at Forest Hills, L. I., is expected to mark a new era in the American game, as is the first competition for national honors ever held away from the Casino at Newport, and in addition strikes a keynote which is expected to increase the popularity of the sport. The exclusiveness which has heretofore surrounded the national championship has been swept aside and the competition brought into the very heart of the tennis centre of the country.

Maurice E. McLoughlin, the famous California comet, will lead off the afternoon session at 2:45 on the championship court against Ernest Frits Kuhn, the German, and Charles M. Bull, Jr., will meet Lyle E. Mahan. An hour later, or when the other matches have finished, Nathaniel W. Niles of the Longwood Club, Boston, will engage Frederick B. Alexander, and at the same time William M. Johnston, the young Californian, will meet Harold H. Hackett.

Myrick received a letter yesterday from Thomas C. Bundy, in which the partner of McLoughlin in the holding of the national doubles said that he expected to leave for New York on Tuesday. The date for playing the challenge match will be determined after his arrival.

Forest Hills, N. Y., Aug. 30.—The opening round of the national lawn tennis championship tournament scheduled for to-day, was postponed until to-morrow, owing to wet courts. President R. D. Wrenn of the national association, inspected the courts of the West Side club with several members of the executive committee and decided that the turf would not permit of play to-day owing to the continuous rain of the past 24 hours. The same time schedule and order of play will be observed to-morrow.

LIVELY SPORTING EVENTS PROMISED FOR MONDAY'S MEET

Entries will close tonight for the foot races which are to be part of the big Labor Day field day at the Aerodrome. All entries should be filed with Thomas Martin, 108 Meigs building. Much interest has been shown in these events and some interesting sport is promised.

The horse races are also attracting attention from sportsmen. Arrangements have been made to accommodate about 60 horses at the track and Hugh Hamilton of Hamilton Bros., who is receiving entries, predicts some excitement.

Boxing fans will have their palates tickled by some lively exhibitions. The headliner will be between Walter Mohr, the light haired slugger, and Young Otto of New York, who are slated to go ten rounds. The semi-final of eight rounds will show Bud Palmer of this city and Battling King of South Norwalk. These boys have met before in a battle that was a hummer. In the preliminary Red Ketchell of White Plains and Young Kocco of Waterbury, will meet.

One year ago today the Germans occupied Amiens, France.
